

WOODLAND GIRLS FASTPITCH SOFTBALL

The By-Laws of the Woodland Girls Fastpitch Softball Association (WGFSA), and these local rules shall not conflict with the rules and regulations established by the NorCal Girls Softball Association.

All games shall be governed by current NorCal and official USA Softball rules, except where modified by these local rules. Application of local rules may vary by event and season. Local rules will be updated, as necessary, by the WGFSA Board.

Spring Season

Registration and Deadlines

1. Registration generally begins for Spring Season in November, and for Fall Season in June. Specific time periods and deadlines will be posted on the league website at WGFSA.org.
2. Late sign-ups begin the day after the first player evaluation. All late registrations will be charged a late fee to cover the cost of any administrative costs and uniform fees incurred.
3. Placement on a team is not guaranteed. If a player is placed on a team, there is no guarantee that she will receive a uniform in time for the season.
4. Players registered after player evaluations but before draft, will go into a blind draw during the draft.
5. Players registered after the draft will be placed onto a waiting list. The applicant will be placed on the list according to date and time received by the Registrar and will be added to a team at the WGFSA Board discretion based upon the roster size of the teams.
6. Placement of the player(s) will be in the order where the original draft concluded.
7. No refunds will be given once uniforms are ordered.
8. Refund of credit card payments will incur a service charge per credit card transaction and the credit amount will only be for any unencumbered amount.

Manager and Coach Selection

Managers and coaches must register online and agree to a background check. Coaches and managers must be approved by the Board prior to being issued a team. Prior misconduct and concerns/complaints will be taken into account when the Board is considering an application.

Team Formation

6U Division

1. Teams are formed based upon age evaluation by the Registrar to make the best effort in dividing players based upon their age and dividing them among teams equally.
2. The League will endeavor to have no more than 6 girls per team in the 6U age bracket. However, the total

number of players will be dependent on enrollment and will be evenly distributed across the teams.

8U-16U Divisions

1. 8U-16U players will participate in player evaluations and those who are not held by a coach/manager will then be drafted to a team.
2. Teams are formed through a player draft (see “Draft” section below).
3. The League will endeavor to have 12 girls per team. However, the total number of players will be dependent on enrollment and will be evenly distributed across the teams.

Team Holds

6U Division

1. A manager or coach may hold their own daughter/family member. There are no maximum number of holds in 6U.
2. Each 6U player may request one (1) buddy hold. The buddy hold must be indicated on the registration for both players or there is no guarantee of being placed on the same team.

8U-16U Divisions

1. A maximum of two (2) holds will be allowed by a team.
2. A manager and coach must hold their own daughter/family member.
3. To hold a player that is not the child of the drafting manager/coach, a written letter of consent from the player’s parent/guardian must be submitted by the requesting manager to the Player Agent for that age division at the draft if the signed letter is not present at the draft for all managers to review if desired the hold will not be valid.
4. At no time may a team hold more than one (1) pitcher from the approved pitcher list unless they are sisters. Any conflict with these provisions will be resolved by the Board.
5. Returning WGFSA players may have one (1) Buddy Hold; the “Buddy” is a NEW player to WGFSA.
6. Sisters choosing to play on the same team will be considered one (1) hold. Once the first is chosen, the second is placed as the last rostered player for that team.

Player Evaluations

6U Division

1. There are no player evaluations for 6U players.

8U-16U Divisions

1. Player evaluations will be held over two (2) weekends whenever possible.
2. A list will be supplied to all interested/potential managers and coaches with the player’s names and categories for the abilities being tested. Players will be tested on abilities for hitting, base running, throwing, and fielding.
3. Managers and coaches will rate each player on her ability using any system they choose.
4. Players who wish to “play-up” to the next age division must have one (1) year experience in their current age division and must attend both the age appropriate evaluation and the evaluation of the age division they are wishing to move up to. All players requesting to play up must have Board approval. Once a player plays up they may not move back down without Board approval.
5. All players, including pitchers, should attend evaluations. Unless noted otherwise in these rules, any players who fail to attend one (1) of the player evaluation dates will not be drafted but will instead be placed in a blind draw.

Pitchers

8U-16U Divisions

WGFSA acknowledges that there will not necessarily be as many pitchers as teams in any given year. Therefore, the following procedure is an attempt to identify and distribute the available pitchers with significant experience evenly across the teams:

1. A pitcher is a player who has been determined by the Board to have the experience and ability to effectively pitch. High School players will not be considered as pitchers for draft purposes.
2. A list of pitchers will be compiled by the Board, to be used during the pitcher’s draft (see “Draft” below)
3. If a player on the list of pitchers chooses not to pitch, she will remain on the pitchers list, unless she submits written agreement that she will not pitch in season games. All written agreements will be subject to Board approval. All managers within that division will receive a copy of any such approved agreement prior to the season draft. If a pitcher who has submitted such an agreement throws one (1) pitch during any games of the season for which the agreement was written, that game will result in a forfeit.

**Removal from the pitchers list is strongly discouraged, experience shows this is not in the player’s best interest.

Draft

6U Division

1. There will be no player draft for 6U teams. Teams will be formed according to the "Team Formation" section above.

8U-16U Divisions

1. Whenever possible, within seven (7) days of the final player evaluation, all managers and coaches will assemble for the draft.
2. Prior to the starting time of the appropriate team draft, all managers must disclose to their respective Player Agent the identity of their coach(s) and the identity of their player hold(s) and if the held player is a pitcher.
3. If a list of pitchers has been created and provided, prior to Round 1 of the draft, any teams not holding a pitcher from the approved list will participate in a pitcher's draft of remaining pitchers. This draft selection becomes their 1st round pick or one (1) of their holds if they are holding fewer than two (2) players. If there are more pitchers listed than teams, the remaining pitchers will be included in the overall draft.

See below for an example of where pitcher drafts and coach/manager holds are placed in the draft process:

	Team 1	Team 2	Team 3	Team 4
		Pitcher's Draft (if necessary)		
Round 1	Draft	Draft	Draft	Draft
Round 2	Draft	Draft	Draft	Draft
Round 3	Coach/Manager Hold	Coach/Manager Hold	Coach/Manager Hold	Coach/Manager Hold
Round 4	Coach/Manager Hold	Coach/Manager Hold	Coach/Manager Hold	Coach/Manager Hold
Round 5	Draft	Draft	Draft	Draft
Round 6	Draft	Draft	Draft	Draft
Rounds 7+	Draft	Draft	Draft	Draft

4. Draft order will be conducted using the following procedure:
 - a. Each manager will randomly draw a number from a supply of paper slips with numbers equal to the number of teams in the division. The number drawn will be the manager's team number for the draft and throughout the playing season.
 - b. The order of selection or draw will be as follows: (Example given is for a four-teams. Numbers will be adjusted as necessary, by division, each year.)

Round 1: 1 2 3 4
Round 2: 4 3 2 1
Round 3*: 1 2 3 4
Round 4*: 4 3 2 1
Round 5: 1 2 3 4
Round 6: 4 3 2 1
Round 7+: Pattern repeats through completion of draft

*Rounds 3 & 4 are "Hold" rounds, only teams without player holds will participate in these rounds.

- c. Pitchers not being held on a team must attend player evaluations. Pitchers (as determined by the Board using the definition above) who do not attend player evaluations will be placed in the open draft and not the blind draw.
- d. After all players who attended a player evaluation have been drafted, the remaining players who did not attend a player evaluation will be selected by an open blind draw.
- e. High school players who did not attend player evaluations will be in a separate blind draw to take place following the blind draw of non-High School players who did not attend player evaluations.

Girls must play on the team for which they have been drafted. No trading of players by teams will be allowed following the conclusion of the draft. While at the draft meeting, players may be traded for cause and all such trades must be approved by the Player Agent and President. Any such trades must be concluded prior to the end of the meeting and announced to all present. Should there be any protest of the proposed trade, the matter shall be referred to the full Board of Directors at a meeting to be held within seven (7) calendar days.

1. Fall Season registration will begin after the Spring Season's closing ceremony.
2. Fall Season registration is first come, first served. The League will endeavor to roster 12-14 players per team. Placement on a team is based on the order of registration until rosters are full. If there are more registered players than teams formed, a waitlist will be created until there are enough players to form an additional team.
 - a. All-Star players who register before the end of regular registration will receive priority for Fall Season team placement. All-Star players who register after regular registration will not receive priority placement.

7. Girls may not switch teams after the draft is complete and teams have been formed.
